Women's health can earn a commission from links on this page, but we only have products we believe in. Why would we trust? Men's health wants to know - what do you think about during sex? ©Stockphoto.com/Lorand Gelner Men Always Curious: What Do You Think About During Sex? Here's your chance to tell them that you want more, less, and how to grab your attention. The answers will be compiled in the story in the upcoming issue of Men's Health. This content is created and supported by a third party and is imported to this page to help users provide their email addresses. You may be able to find more information about this and similar content on piano.io Advertising - Continue reading below here, the question on the subject are the survey results. It is interesting to note that the greatest differences tend to arise between men and women: women feel more pressure to cope with the stresses of work and life, and they tend to be more realistic about the compromises they need to make. In general, do you achieve a work-life balance? Yes: 60% No: 33% Not sure: 7% These results are cut across most categories, including gender and age. People who really want more balance between their working life and their personal lives can get it - if they're willing to make some compromises. Agree: 87% Disagree: 6% Not sure: 6% If money wasn't a problem, would you: Work is less or more flexible than you are now?: 63% Work as many hours, How much do you do now?: 18% Quit work?: 14% Not sure: 4% How much extra annual income do you need in order to save money from influencing your decisions about the type of work you do or the number of hours you work? \$10,000 or less: 10% \$10,000 to \$10,000 20,000: 13% from \$20,000 to \$30,000: 16% from \$30,000 to \$40,000: 10% \$40,000 to \$50,000 21% \$50,000 to \$60,000: 3% \$60,000 to \$70,000: 3% \$70,000 to \$80,000: 5% \$80,000 to \$900,000: 1% \$90,000 to \$100,000: 12% \$100,000 to \$200,000: 3% \$200,000 to \$300,000: 1% How important to you each of the following as a way to achieve balance in your life? (The percentages show how many people have said a little more important or very important.) Make personal life more priority: 91% Earning more money: 86% Focusing on personal matters and at work during alternating periods in my life: 83% Using the Internet and other technologies: 83% Learn to live for less money: 63% Not obsessed with raises or promotions: 62% Getting more help at home: 58% Getting childcare, What I can trust: 52% Passing work projects that are too demanding: 52% Part-time work or work separation: 46% Rejection of the idea of being a superstar at work: 41% Responses to this question indicate a significant gender difference among our respondents. For example, 67% of women said that learning to live for less Very important or somewhat important compared to 60% of men; 66% of women chose not to be obsessed with promotion or promotion, compared to 58% of men; 68% of women chose to receive additional assistance at home, compared to 49% of men; 59% of women chose to go through too demanding work projects, compared to 47% of men; 57% of women chose to receive childcare that I can trust, compared to 48% of men; 55 per cent of women chose part-time work or job sharing, compared with 38 per cent of men; and 43% of women said they were willing to give up the idea of being a superstar at work, compared to 38% of men. If you had another hour a day at home or one of the following, which would you rather have: \$10,000 a year raise: 83% Another hour a day at home: 17% More challenging or more satisfying work: 41% Another hour a day at home: 59% More power or more prestige in your organization work: 32% Another hour a day at home: 68% It's 5pm, and your boss comes to you with an important customer request. The work will take at least five hours and should take place the next morning. You should go to a long-planned dinner with your spouse's family or other significant ones. What's more complicated: Telling your spouse or other significant that you can't make dinner?: 39% asking your boss to find someone else to do the job?: 30% Not sure/not applicable: 32% How much responsibility does each of the following have in order to allow people to balance their work life with their personal lives? (The percentages show how many people have chosen a lot or some as an answer.) Sami: 98% Their family: 95% Their spouse or significant other: 92% Of their company or organization: 89% Their boss: 88% Their colleagues: 55% Government: 47% The following possible reasons why we hear so much talk about working people in need of more balance in their lives, Please indicate whether you agree or disagree with each statement. (The percentages reflect how many people have said they fully agree or agree somewhat with each statement.) Most people don't manage their time very effectively: 91% People think they need more money or material things than they do: 90% Juggling a satisfying job with a satisfying personal life is tough: 88% To compete, people need to work as much as possible: 84% success is more and more about more than making money: 83% of the problems working women get more attention: 79% Of the conversation about balance is the 90s way for people to show that their life is full: 75% be really honest with yourself, indicate how much you agree or disagree with each of the following. (The percentages show how many people have said they fully agree or agree somewhat with each statement.) I don't want to compromise at work or at home: 71% I make necessary compromises to get the balance in my life: 69% I work very hard now to try to get somewhere: 68% It feels good to be as busy as I am now: 63% I could be more efficient at work: 63% Of my peers and friends work Hours: 60% I like to be known for long and hard work: 58% I'm not ready to give up money or material things: 54% I would old car or live in a small house in exchange for more free time: 52% I don't talk about how many hours I work: 49% I feel more in control at work than I do in my personal life: 41% Job is more exciting than being at home: 30% I don't feel like I've worked hard enough if I only work eight hours a day : 24% I work long hours to avoid dealing with my personal life: 14% Pat has a chance to join a startup company. The job will be very similar to Pat's current job, and the salary will be the same. Pat currently works late or on weekends a couple of times a month. The money's fine, but Pat won't get rich on his current job. The new job will mean regular work of 10 to 12 hours over several years. If the launch is successful and goes public, there is a very good chance that Pat will get huge windfall stocks and options. If you were a Pat, would you: Switch to a job at a startup company? 59% Stay with your current job? 25% Not sure 7% What if Pat's spouse or other significant also worked, and if the couple had two young children at home? If Pat took a new job, do you think what Pat was: Losing sight of what's important?: 43% Taking advantage of a big opportunity?: 41% Not sure: 16% Men and women differ significantly in how they answered both parts of this hypothetical question. Men are more likely to see a new job as an opportunity in the first place: 62% of men said that Pat should change jobs, compared to 55% of women. With the introduction of Pat's working spouses and children, similar gender inequality is evident: 47% of women said that Pat was losing sight of what was important, compared to 40% of men; Forty-six percent of men said Pat took the perfect opportunity, compared to 35% of women. The Johnsons both work in jobs they love. These jobs require long hours and a lot of travel, but they pay very well. Spouses can afford full-time childcare, private school tuition, a large house, house cleaning service, new cars every few years, a good dinner every week, and wonderful family trips for the holidays. The Johnsons aren't always home by the time their kids go to sleep, and their time together happens mostly on weekends. Which of the following statements is closest to your view of life that the Johnsons live? It's the kind of lifestyle that society puts pressure on us to continue: 59% Is it the kind of lifestyle that our employers put pressure on us to continue: 18% Is this the kind of life that I personally want: 8% Not sure: 15% Do you consider each following to be more of a success fruit or more excess: sign? Success Holiday Home: 73% Excess: 25% Flying your family to Vail for ski holiday Success: 68% Excess: 29% Flying abroad for a holiday each year Success: 57% Excess: 40% Driving BMW, Lexus, or similar car Success: 54% Excess: 43% Cinema Success: 51% Excess: 45% Accommodation in a house costing \$500,000 or more Success : 51% Excess: 47% Payment 47% Payment Do all your housework Success: 48% Excess: 49% Food in a fine restaurant a few nights a week Success: 44% Excess: 52% Having a full-time live in childcare Success: 35% Excess: 58% Having cell phones or bees for parents and children Success: 24% Excess: 71% Spend \$2000 on clothes in one day Success: 22% Excess: 75% Visit Roper starch worldwide on the Internet ().
